Made to Measure

Often used as a feature wall, our bespoke murals allow bigger, grander designs that aren't achievable with traditional wallpaper. Unlike the repeat patterns you'll find in our wallpaper ranges, a bespoke mural is a whole image, a series of images or a unique design printed specifically to your chosen size. We will design it to perfectly fit your walls exact measurements.

“ Decoration is the furnishing or adorning of a space with fashionable or beautiful things. With digital print, it's getting personal ”
